SMAC Corrective Action Plan

**Open Session Select Board
May 16, 2023 7:00 PM**

Chair Roberts commented that she is willing to work with SMAC toward a cooperative solution. Mr. Mokrisky stated that he had spent a considerable amount of time and effort to understand the status of the relationship between the Town and SMAC. He is interested in restoring good will. On March 28, 2023 the Select Board sent a letter to SMAC requesting a review of the current practices and compliance with the requirements of the Board to be completed within 45 days. A response was received on May 9, 2023. Mr. Mokrisky is happy to see the willingness of SMAC to work with the Town to reach a comfortable agreement.

Mr. Mokrisky made a motion that the Town Manager, the Chair of the Select Board and Town Counsel serve as liaison between the Town and SMAC. Vice Chair Cavey seconded the motion.

Mr. Carrara questioned if the concerns surfaced by Mr. Hausammann would be vetted. A list of failures had been received from Town Counsel. Mr. Mokrisky responded that the concerns will be addressed, adding that he believed SMAC should be given the opportunity to develop a plan to address them. Mr. Carrara said he would like to know what the plan is and what will be done to improve the situation.

Mr. Mokrisky listed the people now serving as volunteers: Mr. Mullen, Mr. Banis, Mr. Lurie, Mr. DeFelice and Ms. Harback and added that they are our friends, we know them, and we should be able to work together.

Town Manager Calter commented that the function of the liaison group and SMAC will be to produce an action plan. We have volunteers on both sides. Part of the plan will include an advisory board. The Town Manager said his job is to work to present an agreement favorable to both parties. The negativity needs to be eliminated. A 30-day period was given for the development of the action plan.

Chair Roberts asked Mr. Mokrisky to amend his motion to include the language that a 30-day period had been granted for the development of an action plan.

On the amended motion, Cavey -yes, Carrara -yes, Gitto- yes, Mokrisky -yes, Roberts -yes. The motion passed unanimously.

Select Board Comments

Vice Chair Cavey noted that last Friday evening he had attended the 60th anniversary of the Helen Hansen Elementary School. He had volunteered to be the DJ. He said it was a wonderful event but noted that the school buildings in Town are reaching life usefulness and the Town needs to have a plan for replacement.

Mr. Mokrisky informed the Board of the deaths of two long-time residents: Mr. James Lovett, husband to Mrs. Tolman Lovett, at the age of 51 and Mr. Bob Murphy, owner of Mur-Mac's at the age of 80. Mr. Mokrisky said the Board, along with the Town, sends their condolences to the families.

Open Session Select Board

May 16, 2023 7:00 PM

Mr. Gitto acknowledged the contribution of Ms. Caitlin Valair, 8th grade civics teacher, her support for various projects, support of the homeless and beautification of the Town. Mr. Gitto credited other teachers for several street projects. Mr. Gitto commented that he would like to interact with the teachers in support of these projects. Chair Roberts agreed and offered help as well.

Town Manager Comments

Town Manager Calter thanked SMAC for their quick response to the technical difficulties experienced at the last Select Board meeting.

Town Manager Calter thanked Mr. Carrara for his suggestions in regards to licensing and stated that a line will be added to the Board of Health approval form requesting information relative to the grease traps and pumping dates.

Town Manager Calter reported that he had spoken with National Grid and Verizon regarding the removal of poles. He noted that Verizon is responsible for maintenance of the poles. There are currently 85 double poles in Town. The Town is responsible for the electric and the fire alarms on the poles. The wires must be removed from the poles before the poles can be removed. Assistant Fire Chief Macomber will take the lead on this project.

Citizens' Comments

Mr. Ed DeFelice, 200 Ethyl Way resident, and Mr. Peter Ventresco, 580 Canton Street resident, asked the Board to rescind recent appointments to the SMAC Board. Both Mr. DeFelice and Mr. Ventresco spoke of feeling aggrieved over treatment received at a SMAC meeting, being escorted from the building by a police officer. They were seeking an apology pointing out that they had been mistreated, bullied and not permitted to see the ballots. Mr. Mokrisky responded that he respected Mr. DeFelice and Mr. Ventresco. There will be changes, but SMAC is a non-profit organization over which the Select Board has no supervisory authority. On behalf of the Board, Chair Roberts said to Mr. DeFelice and Mr. Ventresco, that she is sorry this happened and added that everyone should enter discussions with SMAC with open minds. Town Manager Calter remarked that everybody acknowledges that what happened at the meeting was wrong. Town Counsel explained that the Town's power is spelled out in the contract. Town Manager Calter said the new contract will include a set of rules and expectations consistent with the Town's code of conduct and a termination clause in the event of the violation of any aspect of the contract. Per advice of Counsel, volunteers serving on boards and committees have rights and may not be removed from the committee or board unless the members of said board want them removed.

Vice Chair Cavey stated that the discussion was exceeding the parameters of Citizens' Comments and was beginning to violate public hearing rules.

Mr. Peng, by phone, explained that he is not a resident of Stoughton and the intent of this group is to provide voluntary service, and voluntary opportunity to the residents of Stoughton, post-pandemic, to learn and participate in meditation exercises. The group would like to share with Stoughton, happy and healthy stories surfacing from pandemic experiences. The group has attended various local events, libraries, and has a website.
