Good News!

On **April 22, 2025** the Stoughton DPW will begin **Weekly Recycling Pickup**.

We appreciate Stoughton residents' waste minimization initiative and recycling efforts, which eliminated **1700 tons** of municipal waste from circulation. We want to keep this trend on the right trajectory and make it even easier for you through this **weekly recycling pickup**.

Your pickup date and route will **remain the same**; all you need to do is place out your bins.

Town of Stoughton

OFFICE OF THE TOWN COLLECTOR

10 Pearl Street • Stoughton, MA 02072 • (781) 341-1300 • FAX (781) 341-1032

The Treasurer/Collector, Paula Nute, has announced **the 4th quarter Fiscal Year 2025 REAL ESTATE and PERSONAL PROPERTY tax bills are due May 1, 2025**, and must be received in the Collectors' office or at the PO Box in Medford on or before this date.

A postmark date is not acceptable as payment made if payment is not received in the Collectors' office or at the PO Box in Medford by May 1, 2025.

The 3rd and 4th quarter tax remittances were mailed in the same envelope on December 31, 2024.

When sending payment(s) to the Lockbox address in Medford, checks AND tax remittances MUST BE SENT. PLEASE do not send checks only to the Medford address. If there are no remittances with the check(s), the payment cannot be processed and will be returned to Town Hall for processing. This will delay the payment(s) from being applied to your tax bill(s).

When processing a payment online through your bank, you **MUST** include the bill number, year, and type in the Memo field (for example, Bill #25, 2025 real estate or personal property) so your payment will be properly applied.

When paying multiple bills through your bank, you must include each bill number. If this information is not included on your check, your check may be returned to you, and interest may accrue due to a late payment.

Online bank payment checks must be mailed to Town of Stoughton PO Box 9108 Stoughton MA 02072.

There is a secured payment drop box outside Town Hall on Pearl St. The payment drop box is emptied two to three times a day, once in the morning and once in the afternoon, and if needed, once before leaving the office.

Real Estate and Personal Property tax bills may be paid online at:

<https://www.stoughton.org/home/pages/pay-bills-online>

The Collector's Office accepts payments by credit and debit cards in the Collector's Office for all tax bills. There is a 3% fee if a card is used to process a payment.

All Fiscal Year 2025 Real Estate and Personal Property taxes remaining unpaid after their respective due dates are subject to 14% per annum interest.

Please call 781-341-1300 X 9222 if you need your bill number(s) and or amount(s) due. The Collector staff are available by phone and in person Monday through Wednesday from 8:30 AM to 4:30 PM, Thursday from 8:30 AM to 7:00 PM, and Friday from 8:30 AM to 12:00 PM.

Welcome to the Town Manager's Office!

On December 12, 2022 I was honored to begin my career in Stoughton. After enjoying a successful career in business, as a State Legislator and as a Town Administrator, I've taken on this challenge with eyes wide open. From a career of professional experiences, successes and mistakes, I join the Town well prepared to meet the challenges, and leverage the opportunities before us. I want you to know that I am true and committed to several core values.

First, you can always expect transactional honesty from me. I will respectfully say what I mean and mean what I say. Second, I am committed to openness and full transparency. Secrets, hidden agendas and old grievances will not play any part in my decision making process nor, will they eat up the valuable time needed to do this job properly. Third, you can always expect me to use prudent fiscal judgement. We have real financial challenges and clear solutions which will require your understanding and support. I am not promising a "Rose Garden". I am promising however, that within three years, the Town of Stoughton will stand on a strong financial footing.

We have some challenges that are among my top priorities. As Stoughton looks forward to its 300th Anniversary, it's important to understand that our infrastructure is old and has been neglected for decades. We seldom appreciate the value of clean running water and efficient waste management until those services are interrupted or lost. We all share 112 miles of Stoughton roads. Only 24.1 miles require minimal or no maintenance. As we develop a long-term infrastructure plan, we need to coordinate the replacement of 100 year old water and waste water distribution lines with the pavement of those roads. We need to replace water meters that are not properly recording water consumption. This may appear to be getting into the weeds. However, the condition of our water and sewer lines, town buildings, and town roads is beneath the standard you deserve. Meeting those challenges is among my top priorities. Meeting you and hearing your views will be among my greatest joys!

In closing, I want you to know that openness, transparency and constituent service are among my core values. Those values served me well as a business executive, business owner, legislator and municipal leader. Your confidence in Stoughton town government is needed in order for us to move our common agenda forward. I ask that you stay in touch, stay involved, share your thoughts and make your voice heard.

Respectfully,

Thomas J. Calter
