A message from our Interim Town Manager Marc Tisdelle

Hello Everyone,

As you may be aware, Robin Grimm has taken another job in Sturbridge. We wish her the best and she will be greatly missed!

My name is Marc Tisdelle and I am the Interim Town Manager.

I would like to thank the Select Board, the community and my fellow colleagues for all your support of me to take this task on.

I have worked in Stoughton for the last 11 years as primarily the Town Engineer and the Director of Development Services but I was also the Interim Town Manager for about a year before we hired Robin Grimm.

I take this position very seriously and I will do the best that I can to keep the Town moving forward until a permanent Town Manager is in place. I will do my best to inform the public through Facebook of important events. Robin was very active on Facebook and I will eventually try to get to that point but as you can imagine I will be extremely busy getting up to speed on everything while also completing my other job.

Office hours for the public will continue from 4:30-6pm on Thursday evenings. I also will make appointments with you if needed. Thank you all for the support!
