Train Depot Reactivation for Community Use

Provide Your Input

The Town of Stoughton is working to rehab and activate the long vacant Train Depot. The Select Board voted to designate the Depot as a Community Space that will allow for arts and culture activities, historical displays and other community events. The Economic Development Department wants your input relative to the types of activities you would like to see take place. This input will be used to assist in project planning & preparation of grant applications as appropriate. Fill out the brief survey by scanning the QR code to the right or go to the link :

To the Citizen of Stoughton,

Summarized below is the next scheduled Public Information Session and Public Hearing. As promised, the Select Board is fully committed to open communication and full transparency. Because we face many real challenges, it's important that we all understand the full scope of those challenges and our plan to address all of them. Information is key to prudent decision-making, lasting trust, and confidence in your Government. We look forward to your participation and engagement. A majority of the Selectboard may be present.
