

Town of Stoughton offers Rotating Composter Sales for Home Use!

**Order today while supplies last!
Home composting is beneficial to
society and it is good for the
Earth!**

**Methane is also a powerful greenhouse gas.
Over a 20-year period, it is 80 times more potent
at warming than carbon dioxide. Methane has
accounted for roughly 30 per cent of global
warming since pre-industrial times and is
proliferating faster than at any other time since
record keeping began in the 1980s.**

*Arrangements for delivery or pick up at
The Town will be made at time of payment.*
