

## Reconsideration - Combined Amended Motions

by David Lurie

5/16/25

I move to amend the main motion for Article 19 (page 40 in the Warrant) – Deposit to the Capital Equipment Stabilization Account as follows: that the Town reduce the \$1,000,000 appropriation to \$1,000.

And, furthermore, that we take up both Articles together for discussion and vote for each separately.

I move to amend the main motion for Article 20 (page 41 in the Warrant) – Deposit to the Fire Apparatus Stabilization Account as follows: that the Town increase the appropriation from \$1,150,000 to \$2,149,000.
